OPENING REMARKS

The meeting was called to order by Deputy Secretary Friedlander.

REVIEW OF MINUTES

Motion was made by William Shaw to accept the minutes and the motion was seconded by Steve Shannon.

MPW UPDATE

The Michele P. waiver updated was submitted to the Centers for Medicaid Services (CMS), and is under review. CMS made an informal phone call to discuss general questions and clarifications of a few items.

Positive comments were made regarding shared living being able to be part of the MPW.

Concerns regarding independent case management persist.

SCL WAIVER AMENDMENT

The same questions and needed clarifications were needed by CMS for the SCL amendment. Most of the inquiries were regarding language used by Kentucky in relation to other states and eligibility requirements. Glenna Taylor asked if the 90 days started again. It was answered that since it was an informal meeting with CMS the 90 days did not begin again.

PUBLIC COMMENTS

Steve Shannon shared contents of a letter he received from the Middletown local government that would restrict community integration. Protection & Advocacy is aware of Middleton's plans and is investigating the matter further. Senator Buford mentioned sending a copy of the letter to CMS.
